

Happy New Year Neighbors!

Welcome to my first newsletter of the new year. I want to welcome everyone back and also welcome any newcomers to our neighborhood. I hope that we can continue to provide you with as much information and resources to help keep you safe and to feel safe in your own neighborhood.

2009 is going to be a great year, full of changes and I am expecting a big improvement to our economy. To start our new year, I have scheduled a meeting in March to meet with our police officer/s that patrol our neighborhood. Officer Jeromy Churchill, our neighborhood watch officer will also be attending and is expecting to attend all or most of our meetings.

My goal for the year is to schedule 3 regular meetings which will be held March, April, & June. I will also schedule a meeting with the "planning committee" in July to organize our 3rd annual family event which will be held in August. I strongly encourage and will support anyone who would like to host a NW meeting or two of their own. Also, I am welcoming any new block captains or committee members. If you are interested, please send me an email. Take care, Sincerely your NW Coordinator, Dorothy Soliz
