What do you know...

HELLO NEIGHBORS!

Good to see you again. I am back! Or at least slowly trying to get back into the neighborly things. Last year we had our first "on the block" National Night Out event and I am looking forward to doing it again this year.

I would love to hear from you, please look at the volunteer list and let me know how you can help. Of course, if you cannot (I of all people can understand how busy life gets), please still come and join in on the fun!

Nextdoor is the world's largest social network for neighborhoods that enables local conversations and empower neighbors to build stronger and safer communities.

Does anyone know this person? She was at our National Night Out event last year, but I did not get a chance to meet her. I would like to invite her again to our event. Please let her know. Thank you.
